

## Help Our Children *Play On*

Music is the only activity that uses both sides of the brain, creating unique development in children. Logic and creativity brought together in harmony. Sadly, music and arts education is no long a crucial part of the Ontario school curriculum.

TheGYMC is helping to fill this gap. We host over 1,100 music lessons a week at theGYMC, through private lessons, space rentals and our outreach programs.

### We need your help!

Give \$20 a month to bring music and the arts to children in Guelph and surrounding areas.
